

## FALL 2010 TRAINING SCHEDULE

---

- Training is the first step for a successful semester. We look forward to your participation.
- **ALL NEW VOLUNTEERS MUST ATTEND TRAINING.** Returning volunteers are welcome to attend every few semesters for a refresher.
- Please review the available sessions for your chosen program and select the earliest session that is convenient. Class assignments are made only to returning and trained volunteers, so an early training date can help broaden your choices for assignment.
- Please note your training date on your 2010-2011 Volunteer Form and **mark it on your calendar.** Your selection will not be confirmed unless the date you select is unavailable or the location changes.
